 No. _____

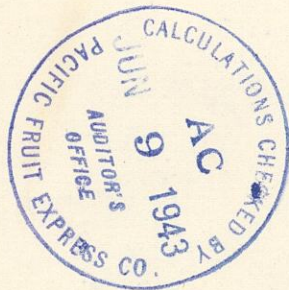

Authority for Expenditure of \$ 1490.00 is requested for purpose of additions
 to property at North Platte, Nebraska
 (Station or Location)

Description of project:

Build two 9' x 36' temporary portable bunkhouses to accommodate 24 men and add shower stall to present toilet and locker building.

Recommendations:

Due to acute labor shortage, local labor for icing cars at this station is not obtainable and it is necessary to import such labor. To accommodate imported labor temporary bunking facilities are being erected next to icing platform. It is proposed to add shower stall to present toilet and locker building for the use of these men, there being no shower facilities available at present.

Item provided in 1943 Investment Budget. Account temporary facility expense chargeable operating accounts.
